

Curriculum Vitae/Bibliography

James S. Magera, Jr., M.D.
Urologic Associates of Iowa City
Mercy Hospital, Iowa City

EDUCATION

Urology Training Mayo Clinic College of Medicine, 6/2002 to 6/2008
Rochester, Minnesota

M.D. University of Iowa College of Medicine, 8/1998 to 5/2002
Iowa City, Iowa

B.S. Montana State University, 9/1989 to 5/1993
Bozeman, Montana
Major: Chemical Engineering

CLINICAL INTERESTS

Robotic treatment of urologic disease focusing on nerve sparing robotic prostatectomy.

BIBLIOGRAPHY

Full length, peer-reviewed, original articles:

Magera JS, Childs MA, Frank I. Robot-assisted laparoscopic transvesical diverticulectomy and simple prostatectomy. *Journal of Robotic Surgery.* 2008; 2:205–208

Magera JS, Elliott DS. Artificial urinary sphincter infection: causative organisms in a contemporary series. *J Urol.* 2008 Dec;180(6):2475-8

Magera JS, Frank I, Lohse CM, Leibovich BC, Cheville JC, Blute ML. Analysis of Repeat Nephron-sparing Surgery as a Treatment Option in Patients with a Solid Mass in a Renal Remnant. *J Urol.* 2008 Mar; 179 (3), pp. 853-856

Magera JS, Leibovich BC, Lohse CM, Sengupta S, Cheville JC, Kwon, ED, Blute ML. Association of Abnormal Pre-operative Laboratory Values with Survival following Radical Nephrectomy for Clinically Confined Clear Cell Renal Cell Carcinoma. *Urology* 2008 Feb; 71 (2), pp. 278-282

Magera JS, Inman BA, Slezak JM, Bagniewski SM, Sebo TJ, Myers RP. Increased Optical Magnification From 2.5x to 4.3x With Technical Modification Lowers the Positive Margin Rate in Open Radical Retropubic Prostatectomy. *J Urol.* 2008 Jan; 179(1):130-5

Magera JS, Inman BA, Elliott DS, Does preoperative topical antimicrobial scrub reduce positive surgical site culture rates in men undergoing artificial urinary sphincter placement?, *J Urol.* 2007 Oct;178(4 Pt 1):1328-32

Magera JS, Elliott DS. Tandem transcortical artificial urinary sphincter cuff salvage technique: surgical description and results. *J Urol.* 2007 Mar;177(3):1015-9

Thompson RH, Blute ML, Krambeck AE, Lohse CM, **Magera JS**, Leibovich BC, Kwon ED, Frank I and Cheville JC. Patients with pT1 renal cell carcinoma who die from disease after nephrectomy may have unrecognized renal sinus fat invasion.
Am J Surg Pathol. 2007 Jul;31(7):1089-93.

PRESENTATIONS AT REGIONAL, NATIONAL, AND INTERNATIONAL MEETINGS

12/02/2008, World Congress of Endourology, Shanghai, China

Robotic-assisted laparoscopic transvesical diverticulectomy and simple prostatectomy (Video presentation-co-presenter)

9/27/2008, Annual Meeting of the North Central Section of the AUA, Chicago, IL

Contemporary nephron sparing surgery: regional ischemia through a mini-flank incision (Video presentation)

5/21/2008, Annual Meeting of the American Urologic Association, Orlando, FL

Severe, recurrent bladder neck contracture after prostatectomy: Salvage with urethral wall stent (Video and poster presentation)

11/02/2007, Annual Meeting of the North Central Section of the AUA, Hollywood FL

Artificial Urinary Sphincter Infection: 10 year experience. (Podium presentation)

5/23/2007, Annual Meeting of the American Urologic Association, Anaheim, CA

Does a 5-Day Preoperative Topical Antimicrobial Scrub Reduce Positive Culture Rates In Men Undergoing Artificial Urinary Sphincter Placement? (Poster presentation)

9/11/2006, Annual Meeting of the North Central Section of the AUA, San Diego, CA

Does Preoperative Topical Antimicrobial Scrub Reduce the Surgical Site Bacterial Colonization Rate During Artificial Urinary Sphincter Placement? (Podium presentation)

5/24/2006, Annual Meeting of the American Urological Association, Atlanta, GA

Advancement in Salvage Procedure Following Failed Artificial Urinary Sphincter: Tandem Transcorporal Artificial Urinary Sphincter Cuff Technique (Video presentation)

5/23/2006, Annual Meeting of the American Urological Association, Atlanta, GA

Association of Abnormal Preoperative Laboratory Values with Survival following Radical Nephrectomy for Clinically Confined Clear Cell Renal Cell Carcinoma (Poster presentation)

5/23/2006, Annual Meeting of the American Urological Association, Atlanta, GA

Association of Preoperative Elevated Erythrocyte Sedimentation Rate and Anemia with Survival Following Radical Nephrectomy for Chromophobe, Papillary, and Clear Cell Renal Cell Carcinoma (Poster presentation)

5/21/2006, Annual Meeting of the American Urological Association, Atlanta, GA

Advancement in Open Radical Retropubic Prostatectomy: Increased Optical Magnification Lowers Positive Margin Rate (Video presentation)

12/02/2005, Annual Meeting of the Society of Urologic Oncologists, Bethesda, MD

Association of Preoperative Elevated Erythrocyte Sedimentation Rate and Anemia with Survival Following Radical Nephrectomy for Chromophobe, Papillary, and Clear Cell Renal Cell Carcinoma (Poster presentation)

5/12/2004, Annual Meeting of the American Urological Association, San Francisco, CA

Association of Paraneoplastic Syndrome with Outcome Following Radical Nephrectomy for Clear Cell Renal Cell Carcinoma (Poster presentation)

MEDICAL HONORS/AWARDS

Ruth O. Johnson Scholarship, 2000

Hoyt Family Scholarship, 2001

Leadership, scholarship, and community service are the criteria for this award. In addition, a written essay discussing the philosophy of successful living was judged as part of the application process.

Alpha Omega Alpha (AOA) Honor Medical Society, 2001

Outstanding academic achievement is the primary criteria for selection.

Hancher-Finkbine Distinguished Student Leader Award, 2002

The Distinguished Student Leader Awards are given in recognition of those students who have exhibited meritorious qualities in leadership, learning, and loyalty in their work with fellow students and faculty. The

recipients are nominated by their colleagues and faculty and are selected by the members of the Finkbine Committee.

Gold Humanism Honor Society Inductee, 2002

PREVIOUS PROFESSIONAL POSITIONS AND MAJOR APPOINTMENTS

Procter and Gamble, Engineer and Manager, 1993 – 1998

(Iowa City, IA)

EDUCATIONAL ACTIVITIES

Teaching Activities

Urology Grand Rounds

2/2004, 10/2004, 1/2006, 10/2006, 9/2007

Mayo Clinic, Rochester, MN
